7. I was aware that Mr. Aguirre Urbina had some mental health issues at the time of his plea and sentencing. He appeared competent to me at that time. Neither insanity nor diminished capacity defenses seemed to apply to the facts of his case. At no time did Mr. Aguirre Urbina tell me the version of events contained in his declaration.

DECLARATION OF ATTORNEY
TAMERTON GRANADOS

1. I am Attorney Tamerton Granados
2. My Washington State Bar number is 40103.
3. I have been in practice in Washington State since 2008. I am not subject to any disciplinary orders.
4. I currently represent Mr. Aguirre Urbina in the matter of his removal proceedings.
5. I met with Brent De Young on August 15, 2013 regarding some of our mutual clients. At that time, I asked him about the status of Mr. Aguirre Urbina's post-conviction relief case. He advised me that he was not aware that I was still representing Mr. Aguirre Urbina because another attorney had been helping him at the Northwest Detention Center. I informed Mr. De Young that I was still representing Mr. Aguirre Urbina and am still the attorney of record in his removal proceedings.
6. Before Mr. Aguirre Urbina was arrested, I met with him a number of times at my office. On these occasions, Mr. Aguirre Urbina exhibited some very strange behavior. At one of our

1

appointments, he came dressed in a batman costume. It was not Halloween, and there was no other reason for him to be dressed in a costume. Our conversations during our appointments, his strange behavior, and his attire led me to believe that he may have some kind of mental health issue. I was not aware of the extent of his mental health issues, however, until I read Dr. Valdez's psychological evaluation.

7. Mr. Aguirre Urbina also indicated to me that he might have been diagnosed with a learning disability or developmental delay. He was sure that he did receive some special help or accommodations at school, but he was unsure of exactly what level of assistance was provided.

8. After Mr. Aguirre Urbina was arrested, he contacted me to advise me of his arrest. Once I found out that Mickey Krom had been appointed as his defense counsel, I contacted Mr. Krom. I tried calling Mr. Krom twice, but was not able to reach him. Since I could not reach him by phone, I asked to speak with him outside of court. During my first conversation with Mr. Krom, I advised him that Mr. Aguirre Urbina thought he had a diagnosed learning disability or developmental delay and that I thought he may have some mental health issues. I suggested that he consider having Mr. Aguirre Urbina evaluated by Eastern State Hospital due to these concerns.

9. Approximately one month later, I followed up with Mr. Krom about the mental competency evaluation. He advised me that, in his opinion, Mr. Aguirre Urbina was mentally competent and could assist in his own defense. For that reason, he opted not to have him evaluated.

Signed under penalty of perjury under the laws of the State of Washington at Yakima, Washington
this 27th day of August, 2013.

1. I am Fernando Aguirre Urbina, the Defendant in the above-noted case.
2. I remember back in high school that he (the enemy) would talk to me in my head, and that if I didn't do something right I had to do it again and again until I did it right. If I walked or dressed in the wrong way that I had to go back and re-dress myself all over again or I had to go back and to walk back again but correctly. It happened more at home during the time that I was in high school.
3. My last year in high school the enemy told to stare at the sun. I couldn't refuse to do it. I think now that this damaged my eyesight. When I tried to refuse to do it then I got an intense anxiety attack and I would feel very helpless. I had to do something then to let him know that I understood he was in control.

- 1 4. During my last year in high school, I would lock myself in the rest room at home. The
2 enemy made me pick up different things over and over again until he was satisfied. I got
3 mad when someone like my mom or my sister yelled at me to get out of there. I went
4 there to hide so nobody would see that I was being controlled by the enemy.
5
- 6 5. After high school the enemy was very strong. I couldn't even open my car door correctly
7 without thinking and worrying that I was doing it correctly.
- 8 6. I started smoking marijuana during high school to block out the enemy. I couldn't hear
9 his voice when I was high.
- 10 7. In 2010 I was sent to the immigration court. I was caught driving without my license. I
11 got out after three or four days in Tacoma. After I was out, the enemy told me that I
12 needed money to hire a lawyer to help me with my immigration.
- 13 8. The enemy said that he would protect me if I sold drugs to get money for the lawyer.
14 When I scared to do this, he would put negative thoughts in my head that my son wasn't
15 really mine or that my daughter was in torment and suffering. Every time I wouldn't
16 want to do what the enemy said he would put these vague imaginations into my mind to
17 control me.
- 18 9. I remember that everything became worse when I ordered some holy water from TV.
19 That was in December of 2011. After this either I made God angry because of the way
20 that I was living under the enemy, or it was the enemy attacking me because he thought I
21 wasn't paying attention to him at all times as I should. I started feeling then always
22 depressed.
23
- 24 10. When I got arrested at my house, it all seemed like a dream to me. I started feeling then
25 that I was watching it on TV and that it wasn't really happening.

1 11. The day before they raided my house I was driving in the country. It was during the
2 daytime, but I couldn't stop myself from falling asleep. I tried to park my car. I put my
3 radio on the Christian station very loud. The enemy loudly told me that I wasn't going
4 anywhere. I finally barely got my car parked and I fell right asleep. I was not under the
5 influence of any alcohol or drugs at the time that this happened. I felt during this time
6 period that I was in the middle of the battle between God and the enemy. I would talk to
7 God and would pray a lot. But because of what I had to do for the enemy I wasn't sure
8 that God was listening to me at that time.
9

10 12. The voice that I found out was called "the enemy" was with me for several years before I
11 connected his name to the enemy.

12 13. The enemy is not Satan. I understand that Satan is the fallen angel. The enemy is
13 something much different.

14 14. During my court, my attorney Mr. Krom seemed like he was in a big hurry. There was
15 never enough time to ask him about my case. One time he offered me to go to drug court
16 because I told him that I was smoking marijuana all the time. I didn't quite understand
17 about drug court and told Mr. Krom that I didn't really understand about it. Mr. Krom
18 said that I wouldn't make it in drug court and told me just to forget about it. We never
19 talked about it again after that.
20

21 15. I was feeling very upset and confused at the time I was in jail and court. I didn't
22 understand that what was really happening. The enemy was present with me in the court
23 and in the jail. He told me that everything would be okay. He said that he had a plan.

24 16. When I was going to court for the last time in Yakima, one of the guards started whistling
25 in front of me. This was the enemy making fun of me. The enemy was also the angel of
26 music.

1 17. Mr. Krom told me that he didn't care what I did that it was not his life but mine. I knew
2 this meant that I needed to get this over with. I then pleaded guilty. The enemy was
3 playing with me all through this. The judge was then saying that he wasn't going to let
4 me plead guilty. Just before this the enemy had told me that he would take care of me if I
5 just got this done.
6

7 18. I feel much better now that I'm getting some treatment here at the detention center in
8 Tacoma. The enemy isn't gone yet. I do understand now how he controls me.

9 19. I have been here in this country since I was three years old. I am afraid that if I return to
10 Mexico I won't be able to continue my treatment and that I will go back to all of the
11 problems that I had before with the enemy. I really want to get well and stay well now.
